

TOWN OF TROY
BOARD OF SELECTMEN MINUTES

The Board of Selectmen held their monthly meeting on Monday Oct 17, 2016 at 6:30 p.m. at the Troy Municipal Office.

Selectmen Present: Robert Langlands, Mark Sanville, Gary Taylor

Others Present: Terri Medley, Steve Button, Lee, Roger Morin, David and Candy Leblanc

THESE MINUTES ARE UNOFFICIAL UNTIL APPROVED.

1. Meeting opened at 6:30 pm.
2. Steve updated the Board on the well project. The sample results all came back good. They are currently working on plans to get the new well connected. Water levels have been a bit better lately. At the last meter reading the battery stopped working on the hand-held computer. Chris Goodrich sent a new/old battery for us to use.
3. Roger Morin gave us an end of the year cemetery report. The report is attached. He indicated he went over budget approximately \$500.00 but did a lot to clean up the back of the big cemetery. He suggested we increase the budget for next year by \$500.00. The Selectboard is well aware of the extra care Roger gives to the cemeteries.
4. David and Candy Leblanc asked why the Town of Troy did not purchase anything from their gravel pit this year. Lee explained their price was much higher than Kennison's. Gary suggested Leblanc's gravel be tested in the spring to determine if we want to purchase it from them in the future. We will be in touch with Dave in the spring.
Lee gave his highway update. Collins Mill Road Project, which is part of the Better Back Roads Grant we received, is complete.
5. Minutes of the September 19th 2016 meeting were approved by a motion made by Gary. All orders were signed.
6. Terri read an email from Gene Besaw's office indicating we should have our final 2014 Audit completed by our November meeting.
7. The Board had a conference call with the Jay Selectboard to review 2 sewer items, as Tara was going to be unavailable for the meeting next Monday. No motions were made on either issue. Motions will be made at the regular SewerBoard Meeting Monday, October 24th, 2016.
8. One overweight permit from Record Excavating was signed by Robert.
9. Meeting adjourned at 8:30
